Jim - sorry I didn't think
of it sooner but very thing
I have got by use of FOI -
which memo in and out
of court - is clearly
opposite the official
representation of it.
Re ~~not~~ most obvious
of which you are aware
is 7:8-50. Think of
the picture I got
from Rhodenhurst -
it is then printed
upside down in the
composite used in C.D.
the FBI report.
